LMI Aerospace Announces Company to Present at the Deutsche Bank Global Industrials and Basic Materials Conference

Presentation is Thursday, June 13, 2013

ST. LOUIS, June 11, 2013 (GLOBE NEWSWIRE) -- LMI Aerospace, Inc. (Nasdaq:LMIA), a leading provider of design engineering services and supplier of structural assemblies, kits and components to the aerospace and defense markets, announced today it will present at the Deutsche Bank Global Industrials and Basic Materials Conference, which will be held at The Westin Chicago River North hotel on June 12 to 14, 2013.

LMI Chief Executive Officer Ronald S. Saks will present for the company on Thursday, June 13, 2013, at 12:20 p.m., Eastern Daylight Time.

The presentation will be streamed live and can be accessed via the LMI web site <http://ir.lmiaerospace.com>. A copy of the presentation will be available on the LMI web site.

LMI Aerospace, Inc. is a leading provider of design engineering services and supplier of structural assemblies, kits and components to the aerospace and defense markets. Through its Aerostructures segment, the company primarily fabricates, machines, finishes, integrates, assembles and kits formed close tolerance aluminum and specialty alloy and composite components and higher level assemblies for use by the aerospace and defense industries. It manufactures more than 30,000 products for integration into a variety of aircraft platforms manufactured by leading original equipment manufacturers and Tier 1 aerospace suppliers. Through its Engineering Services segment, operated by its D3 Technologies, Inc. subsidiary, the company provides a complete range of design, engineering and program management services, supporting aircraft product lifecycles from conceptual design, analysis and certification through production support, fleet support and service life extensions via a complete turnkey engineering solution.
