LMI Aerospace Announces Company to Present at the 2013 Wells Fargo Industrial and Construction Conference

Presentation is Thursday, May 9, 2013

ST. LOUIS, May 1, 2013 (GLOBE NEWSWIRE) -- LMI Aerospace, Inc. (Nasdaq:LMIA), a leading provider of design engineering services and supplier of structural assemblies, kits and components to the aerospace and defense markets, announced today it will be present at the Wells Fargo Securities 2013 Industrial and Construction Conference, which will be held at the New York Palace hotel on May 8 and 9, 2013.

LMI Chief Executive Officer Ronald S. Saks will present for the company on Thursday, May 9, 2013, at 2:15 p.m., Eastern Daylight Time.

The presentation will be streamed live and can be accessed via the LMI web site <http://ir.lmiaerospace.com>. A copy of the presentation will be available on the LMI web site.

LMI Aerospace, Inc. is a leading provider of design engineering services and supplier of structural assemblies, kits and components to the aerospace and defense markets. Through its Aerostructures segment, the company primarily fabricates, machines, finishes, integrates, assembles and kits formed close tolerance aluminum and specialty alloy and composite components and higher level assemblies for use by the aerospace and defense industries. It manufactures more than 30,000 products for integration into a variety of aircraft platforms manufactured by leading original equipment manufacturers and Tier 1 aerospace suppliers. Through its Engineering Services segment, operated by its D3 Technologies, Inc. subsidiary, the company provides a complete range of design, engineering and program management services, supporting aircraft product lifecycles from conceptual design, analysis and certification through production support, fleet support and service life extensions via a complete turnkey engineering solution.
